Qualifications Information Files must have:

- 9 columns - each column must be included in the file even if it is not populated.
- Column titles are for your reference only - do not include them in the data you submit.
- The date must be in the MM/DD/YYYY format.

Helpful hints when creating a file:

- Save as a tab delimited text format, asterisk delimited text format, or fixed length text format.
- Separate each column with a tab (no spaces)
- Do not use spaces or dashes within the Social Insurance Number
- There must be a Basic Qualification Code for all Basic Qualifications records and an Additional Qualification Code for Additional Qualifications records
- Only one **option code** per **record** may be reported
- Option code column must be populated. If the additional qualification course being recommended does not have an option code, please populate this column with a zero – files without an option code cannot be processed
- The recommendation date in the file must be the same for all records within the file
- Submit separate files for pre-service and in-service recommendations
- You must submit Qualifications information for every record you provide on the General file.

2. GENERAL INFORMATION

Pre-service qualifications:

The following applies to recommendations from all Faculties of Education:

- Subjects associated with the Junior/Intermediate or Intermediate/Senior division qualification must appear in Schedule A of Regulation 184/97
- Technological Education qualifications must appear in Schedule B of Regulation 184/97.

A Bachelor of Education degree must be reported for all new graduates except:

- those recommended for Technological Education qualifications, and who enter the program with an OSSD
- those of native ancestry who completed the Primary/Junior program
- those who completed the Native as a Second Language teacher education program
- those recommended for a Master of Arts or a Master of Teaching degree who completed the two year program at the Ontario Institute for Studies in Education of the University of Toronto (Institute of Child Study)

Additional qualifications may only be reported with pre-service recommendations for the following programs:

- those who completed the Primary/Junior program with a focus on teaching French as a Second Language may be recommended for French as a Second Language, Part 1
- those who completed the two year program at the Institute of Child Study may be recommended for Primary Education, Part 1 and Special Education, Part 1

In-service qualifications:

The following applies to recommendations from all Faculties of Education and Providers:

1. In-service qualifications must appear in Regulation 184/97.
2. A recommendation for Part 2 of a three part qualification will only be accepted if the teacher already holds Part 1 of the qualification or holds the appropriate subject associated with the Intermediate or Senior division, i.e. French as a Second Language, Part 1 or Intermediate (French).
3. A Primary Basic Qualification is required for Primary Education, Part 1.
4. A Junior Basic Qualification is required for Junior Education, Part 1.
5. An Intermediate Basic Qualification is required for Intermediate Education, Part 1.
(NOTE: the Primary/Junior/Intermediate (elem) qualification is acceptable for this purpose if the teacher holds an acceptable university degree).
6. A teacher may not be recommended for a "stand alone" Special Education elective unless the teacher already holds the Special Education, Part 2 qualification.
7. A teacher cannot be recommended for an Additional Basic Qualification (other than Technological Education) unless the teacher holds an acceptable university degree.
